DACA Swim School
Return to Swim Lessons Guide

PPE Requirements:
- All staff wear face masks at all times
  - Face shields will be worn for in water instruction
- All swimmers wear masks entering and exiting the facility, on deck, and in waiting areas
  - Exceptions will be made for students under 6 years old and patrons with conditions prohibiting them from wearing a mask (with medical documentation)

Social Distancing Requirements:
- Socially distanced markers at entrance (swimmers line up before entering)
- Socially distanced markers on pool deck to place personal items
- Socially distanced and sanitized chairs for parent/guardian viewing
- Socially distanced exit route

Facility Procedures:
- Separate (one way) entrance and exit routes
  - Entrance and exit routes will not cross paths
  - Staff will escort patrons
- Locker rooms will be closed (No showering on site)
- Pool deck restrooms available for single use only
  - Restrooms, chairs, and personal item markers will be sanitized after session
- 10 minute gaps between the start and end of each lesson session
  - This time will be used to sanitize
  - Swimmers from the previous session must be off deck walking the exit route before the next group enters
  - If the authorities recommend temperature checks, they will be taken at the entrance

Staff Protocols:
- All CDC and local authority recommendations will be met

Swimmer/ Family Protocol:
- Arrive and depart in swim suit (clothes on top is ok)
  - No changing or showering at the facility
- Swimmers may not arrive more than 10 minutes before their scheduled lesson time
  - Wait in car if earlier than 10 minutes
- Line up on entrance markers
  - Only one parent/guardian can accompany swimmer into facility
- Swimmers walk socially distanced to their assigned marker on pool deck
- Swimmers arriving late (after their lesson start time) will be allowed to participate at staff’s discretion
- No in-out privileges
  - Swimmer/guardian departing facility will not be allowed back into facility
- Lessons will be held with 1 swimmer per lane/location
  - Sanitized swim equipment will be provided by staff
Lessons will be 20 minutes long following same DACA curriculum tailored to 1 student

- Swimmers depart facility as a socially distanced group
  - Staff will escort swimmers without guardians to pick up area
- Pick up area with socially distanced markers
  - Swimmers must be picked up promptly at the end of lesson

**Any Families or Swimmers not complying with safety protocols may have participation suspended**

Criteria to attend lesson must be met by the swimmer and all members of the household:

- No contact with anyone with a positive Covid-19 test in the last 14 days
- No temperature or Covid-19 symptoms (cough, difficulty breathing or any other symptoms listed by the CDC) within the last 14 days
- Have not traveled out of the area in the last 14 days

Any swimmer experiencing any COVID-19 symptoms or has had exposure to someone with symptoms should stay home and seek medical advice

Positive Test Procedure:

- If a swimmer tests positive – please notify the staff as soon as possible!
  - The facility will be shut down for deep cleaning
  - Membership will be notified
